Continuation of Substance of Interview including description of the general nature of what was discussed: Applicant explains the invention and points out to the separate client lists for each respective service group shown in Figure 1 as a distinct feature distinguishing it from the prior art discussed in applicant's specification. Applicant agrees to file a supplemental amendment to clarify the claimed subject matter in claims 1, 3, 11, 20, 27, 33 to place the case in condition for allowance.

## **DETAILED ACTION**

### ***Allowable Subject Matter***

Claims 1-37 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or make obvious providing record locking services in a plurality of file systems wherein a separate client list is included in each respective service group of a plurality of service groups including all the limitations recited in independent claims 1, 11, 20 or initiating lock recovery and maintaining locks including all the limitations recited in independent claims 27, 33.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
